

C.O.P. GROUPS REACH OUT TO A COMMUNITY

On Sunday morning, March 1, from 10:00am - 2:00pm, coordinators from 4 different Arlington Citizens on Patrol groups met at Grace Community Church in south Arlington to participate in a community outreach fair. Representing Harold Patterson was Marilyn Priddy, Area Watch was Doug Arnold, Villages of Fairfield was Bill Tinsley, and Valley Spring was David Berg and Steve Messina. The purpose of the fair was to provide information to the members of Grace Community Church that they could take back to their own communities. Information such as how to get a CWG or COP group started activities that are on-going in our own communities, and hand-outs on COP, CERT and various other topics. Thanks to these coordinators volunteering their time on a Sunday morning to promote great Arlington Neighborhoods and Programs.
