STOP TRUANCY.

Students in school are students who are not loitering around businesses during school hours. They are future high school graduates with an opportunity to become contributing community members.

“You Earn, They Learn. Stop Truancy” is a partnership between Arlington and Mansfield schools, law enforcement, and Crime Stoppers. This incentive program offers a \$40 reward to anyone who notifies Crime Stoppers about a truant student. An officer must verify that a student is truant in order to be eligible for the reward.

If you spot a student who is not in class during school hours, report it to Crime Stoppers. Together, we can stop truancy and help our children succeed!

How to submit a tip:

Phone 817-469-TIPS (8477)

Text Text “TIP117 plus your message” to CRIMES (274637)
