
My Dear Brothern And Sister in Christ,

Greetings to you and your family in the name of God, In my search for a reliable and God fearing person and having gotten your contact through prayers and painstaking efforts i have decided to seek for your help in carrying out my last wishes, To Use this money in question for churches and orphanage home handicaps hospital and less privileged,

With due respect and the fear of Almighty God, i which to tell you about this transaction which eventually happened to go with trust and confidence, Meanwhile my name is Samira the wife of karim Amhed from (Libyan Arab Jamahiriya) , I was a muslim until my husband and my kids dead, Since year 2001 which i lost my lovely family, I have decided to become a christian.

My Husband and my lovely two kids has a fater accident and they were comfirm death, Ever since then i have be alone until i encounter this cancer sick that is going to take my life any moment from now that is what the doctor say that i only have few time to live, My husband and two children died in a car accident six years ago.

Before this happened, my business and concern for making money was all I live for. I never really cared about other values in life. But since the loss of my family, I have found a new desire to assist helpless families. I have been helping orphans in orphanage/motherless homes. I have also donated some money for humanitarian needs in Sudan, South Africa, Cameroon, Brazil, Spain, Austria, Germany and some Asian countries. Only recently I saw on television the colossal loss of properties and livelihood people in Canberra, Australia through fire.

I was moving with great pity and compassion that I decided to make this contribution on assisting people over there, I kept \$US20,000,000.00 Million in a long-term deposit account in a Finance company. Presently, I'm in a hospital where I have been undergoing treatment for oesophagi cancer.

Because relatives and friends have plundered so much of my wealth since my illness, I cannot live with the agony entrusting this huge responsibility to any of them.

Please, I beg you in the name of God to help me collect the deposit and distributes it accordingly. Use your judgment to distribute the money and keep 20% of it to yourself. Feel free to reimburse yourself when you have the money for any cost you incur during the process of collecting and distributing the money. If you are willing to help, please reply as soon as possible. May the good lord bless you and your family.
